

LEGAL NOTICE OF FILING A CHANGE TO THE ELECTRIC TERMS AND CONDITIONS AND APPENDIX “B” BY THE CITY OF MISHAWAKA, INDIANA

Notice is hereby given that the Mishawaka Electric Utility, Mishawaka, Indiana, under and pursuant to the Indiana Utility Regulatory Commission’s 30-day filing procedures set forth in 170 Indiana Administrative Code 1-6, hereby files with the Indiana Utility Regulatory Commission for its approval, a new Electric Terms and Conditions and a new Appendix B for Non-recurring Charges.

The current Terms & Conditions for the Mishawaka Electric Utilities was drafted in 1995 and became effective on January 6, 1996. Since 1995 the only change made to the document was in Section 4, in the area dealing with Service Deposits. That change was sent to the IURC in September, 2009. After fifteen years, the Utility finds it necessary to update the 1995 document in its entirety. The Appendix B (Non-Recurring Charges) is also being updated. Both revisions have become necessary in order to bring our services up to date with current practices and allow more accurate reimbursement for services. The changes will affect all Rate Classes, and stipulates all of the rights and responsibilities of receiving electric services from Mishawaka Utilities. The Appendix B outlines the various costs involved in providing all forms of service to the Utility customers.

If approved, the new Electric Terms and Conditions and Appendix B shall take effect 30 days following said approval.
