

VETERANS WALKWAY

BUY-A-BRICK PROGRAM

The Battell Park Veterans Memorial Plaza offers the opportunity for you to memorialize a loved one. The City of Mishawaka is inspired by the service of its military men and women, and is initiating a Buy-a-Brick program open to all who would like to support this initiative to honor all Veterans; past, present, and future.

The campaign is a tribute to veterans who served in the military, and individuals who provided support services, keeping our country safe and free. The bricks will be placed around the new memorial at the Veterans Plaza.

Take advantage of this opportunity to commemorate those who courageously protected our country, the USA, by participating in the Battell Park Veterans memorial, Buy-a-Brick Campaign.

Funds from brick sales provide support for the Mishawaka Troop Town to provide housing and services necessary to help homeless veterans return to a productive and meaningful life.
