

Americorps National Civilian Community Corps (NCCC)

Elm 50

AmeriCorps Pledge

I will get things done for America – to make our people safer, smarter, and healthier.

I will bring Americans together to strengthen our communities.

Faced with apathy, I will take action.

Faced with conflict, I will seek common ground.

Faced with adversity, I will persevere.

I will carry this commitment with me this year and beyond.

I am an AmeriCorps member, and I will get things done.
