Welcome to Mishawaka

Mishawaka is blessed with 28 public parks, each with its own unique natural attributes. For boating enthusiasts, there are four parks with boat launches on the St. Joseph River. Water skiers and sailors can indulge in their pastimes on the river's east section. Coincidentally, this is one of the best rivers in the state for fishing. Smallmouth bass, steelhead trout, coho salmon, chinook salmon and walleye are plentiful in their seasons.

Mishawaka Parks also boasts an Olympic-size swimming pool, six splash pads and accommodations for tennis, pickleball, sand volleyball and basketball. The 18-hole Eberhart-Petro Golf Course offers traditional golfers finely groomed fairways and greens while George Wilson Park and Henry Frank Parks offer disc golfers challenging disc golf courses. In the winter, skaters can show off their skills on the ice ribbon at the Ironworks Ice Rink or slide down the tubing hills of George Wilson Park. Enjoy a cold beverage at the Ball Band Biergarten and listen to the music of some of our talented local music acts during our Summer Concert Series. Browse a selection of local vendors during our popular Sunday Mishawaka Market along Ironworks Avenue.

Credit cards are accepted at all park facilities and online registration.

The Musical Adventures of Flat Stanley presented by the South Bend Civic Theater

The beloved children's book, written by Jeff Brown in 1964, has become a literary and pop cultural phenomenon, delighting readers and travelers all around the world. And now, Timothy Allen McDonald, the writer behind *Willy Wonka* and *James and the Giant Peach*, has taken everyone's favorite two-dimensional hero and given him a new life in *The Musical Adventures of Flat Stanley*.

Stanley Lambchop is your ordinary, everyday, run-of-the-mill, ten-year-old: normal mom and dad, normal little brother, normal life. That's just the problem... for Stanley, life is too normal. He wants to travel the world, do something amazing, something no one's ever seen before. Careful what you wish for, Stanley! One night, the bulletin board on the wall above Stanley's bed comes loose and falls – right on top of Stanley! The next morning, Stanley Lambchop wakes up flat. Not just a little flat... really, REALLY flat! In a whirlwind musical travelogue, Stanley – the ultimate exchange student – scours the globe for a solution to his unusual problem. He's stamped, posted and cancelled from Hollywood and France to Honolulu and beyond. And, whether he's thwarting a robbery at the Louvre Museum in Paris, or "hanging ten" off the coast of Hawaii, Stanley is closing in on his goal of being a three-dimensional boy once more.

Educators Sculpture Project

The Educators Sculpture Project is an opportunity for you to make your mark in Mishawaka, and, if you wish, to honor an educator who made a difference. You can order an engraved brick that will be placed in the brick walkway at the site of the sculpture. Show everyone that YOU care about ART, about MISHAWAKA, and about EDUCATORS!

Make Your Mark in Mishawaka – Permanently!

Each brick costs only \$250.00 – a small price to pay to leave your imprint at one of the most beautiful sites in Mishawaka. And, as a special incentive for current students (grades K through 12), a brick can be purchased for only \$100.00. This is a great way for a class or club to honor a special teacher!

City of Mishawaka by participating in special events, you can share your message with locals by teaming up with Mishawaka Parks and Recreation Department. Sponsorship opportunities range from: sponsoring a child to play a sport; placing your logo on the back of t-shirts; gym and field signage; and so much more. Your sponsorship contributions help us achieve our goal of making the Mishawaka the "Best Hometown in America."
