

The Ball Band Legacy

Along the banks of the St. Joseph River, Mishawaka’s story is one of movement and innovation. Ball Band shoes, made here, carried the city’s name far beyond its banks, known for strength and comfort. Though the factories have faded, the legacy remains—shaped by shoes, Ball Band, and the river, continuing forward in pride and history, and honoring generations of skilled workers.

Location of shoe: Ironworks Plaza (120 Ironworks Ave. Mishawaka 46544)
